No. F3 () /RSSC/PROC/2017/27983

Dated: 15.12.17

Corrigendum

After received suggestions from bidders, Corporation has decided to change in terms of NIT No. F3/Processing/RSSC/2017-18/25100 dated 16.11.2017 the points of corrigendum as follow:

1. In NIT for S. No. 1, 5.0 TPH capacity seed processing machine-lines complete on turnkey basis, quantity 9 RSSC will issue purchase order in 2-3 phased manner as requirement of machine. (NIT page no. 3)
2. In section-II general terms & condition of the bid point no. 4 (NIT page no. 7) changes are us under :-
DELIVERY, INSTALLATION & COMMISSIONING

The supplier shall undertake to complete the supply of equipment within 45 days from the date of placing the purchase order. However, the goods may be dispatched early also for which no extra benefit or relaxation in payment terms shall be allowed to the suppliers unless otherwise specifically mentioned in the purchase order. The date of stock entry by the consignee unit of RSSC shall be construed as date of receipt of the equipment for the purpose of calculating the delivery period/ delay penalty. Place of delivery is RSSC (various offices of RSSC as mentioned in NIT or Purchase order). Location of supply may change.

The supplier shall undertake to complete the installation and commissioning of equipment/machine within 45 days from the date of receipt of equipment/machine. No extension of period beyond 45 days from the date of receipt of equipment/machine shall be allowed for installation and commissioning of equipment/machine unless it is due to non preparedness of site on part of RSSC.

In this manner total time for supply, installation and commissioning shall not exceed 90 days. Penalty will be imposed in supply, installation and commissioning after 90 days as per tender rules.

Rest all terms and conditions of tender shall remain same.

Managing Director
